MEITNER, Alfred

MISCELLANEOUS:

Subject performed liaison between the maintenance section and the German organization in 1953. He was described as not looking teutonic, and having very little command of English. He was a master sergeant in the Wehrmacht and fought mostly in Russia.

Following is a possible trace: A CIC Region XII (Augsburg) Report on Ilya JAKUSHOW, 21 Feb 50, regarding RUS activity, lists among personalities allegedly connected with JAKUSHOW at one time or another the following: "Alfred MEITNER, German, whereabouts unknown, escaped war criminal, reportedly has been a member of an extermination squad together with JAKUSHOW."
